For the Grownups

You do not need to explain everything at once. Sit close, read slowly, and let your child enjoy the pictures.

These pages follow selected moments from Creation to the resurrection of Jesus Christ. The simple words are a beginning; the Scripture index invites you into the fuller account.

God is living and active. Jesus died for our sins, rose on the third day, and lives and reigns forever. Let that good news be the heart of your time together.

When your child asks a question, open the Bible together. You are welcome to keep learning beside them.

With love,
Pastor Alyssa Denmark
